

KASHYAP SHARMA

Junior Android Developer

kashyapsharma2902@gmail.com | 70469 52180 | Kheda | [linkedIn](#)

CAREER OBJECTIVE

Junior Android Developer skilled in Kotlin, Java, Jetpack Compose, XML, MVVM, Retrofit, Room, and Firebase, with experience building high-performance, user-focused apps. Seeking a role to contribute to live projects, apply strong debugging skills, and grow within a fast-paced, product-driven environment.

PROFESSIONAL EXPERIENCE

1) Junior Android Developer: (March 2025 – Present)

IQ Infinite Technologies Pvt. Ltd., Ahmedabad

- Developed Android applications using Kotlin, MVVM, Jetpack Compose, XML, LiveData, Flow, and ViewModel with strong focus on UI and app architecture.
- Integrated REST APIs using Retrofit, managed JSON parsing, implemented Room/SQLite, and optimized performance through advanced debugging.
- Handled Play Store release management including app signing, rollout, policy compliance, and version updates. Integrated Google AdMob (Banner & Interstitial ads), performed crash analysis, and collaborated using Git/GitHub to deliver stable, high-quality apps.

2) MongoDB DBA Intern : (Jan 2024 - April 2024)

Gravitas Technosoft, Ahmedabad

- Migrated large-scale SQL databases to MongoDB, ensuring data integrity and consistency.

EDUCATION

- B.E. in Computer Engineering** | GEC Modasa (2024) | CGPA: 7.41
- XII** | GSHEB (2020) | Shri H & D Parekh High School Kheda | 62.83%
